About Me

I am a Fresh Graduate Bachelor of Informatics from the Indonesian Technocrat University. Successfully graduated with a 3.47 GPA. Have internship experience in the IT world and as IT Support. Enjoys learning new things, finding responsibility at work and able to work in a team or individually. Have the ability to use Microsoft Office Applications, Adobe Photoshop, Corel Draw, Figma, video editing software, and have an interest in Front-End Development. I am interested in a job that is still related to my background and abilities, but does not rule out the possibility to work in other fields.
